WHY YOU'LL LOVE THIS TRIP

The Arctic Circle, the Northern Lights and Santa Claus — all in one long weekend

Rovaniemi sits on the Kemijoki River just a few kilometres from the Arctic Circle: a compact city with everything at your doorstep and the Lappish wilderness minutes away. This short break packs in the three experiences our guests ask for most.

01

4★ central hotel & sauna

A modern, centrally located hotel in Rovaniemi — steps from shops, restaurants and bars — with complimentary Finnish sauna.

02

Campfire Northern Lights search

Into the winter wilderness by the Kemijoki River: roast sausages over an open fire and watch for the Aurora Borealis.

03

Reindeer sleigh & Santa Claus Village

Meet the reindeer and ride a sleigh through the snowy forest to Santa's village; meet Santa, send mail from the North Pole post office and earn your Reindeer Driving License and Arctic Circle Certificate.

04

Thrilling husky safari

Learn sled control from your guide, then set off in pairs behind an energetic husky team — followed by hot berry juice and stories from the head musher.

“We took our two kids to Rovaniemi in December with Scandi Travel and honestly had the best time. The warm suits were a total lifesaver, and the kids couldn't stop talking about the reindeer sleigh ride to Santa's village. Smooth trip from start to finish.”

Day by day

DAY 1 · ROVANIEMI

Arrival & campfire Northern Lights search

Welcome to Rovaniemi, the capital of Lapland. Transfer to your modern 4★ hotel in the city centre. In the evening, a drive through the wintry wilderness brings you to an idyllic riverside site where the chances of seeing the Northern Lights are at their best. Fry sausages by the campfire under the Arctic stars and enjoy the silence of the Lappish night. If your flight lands late, we move the Northern Lights evening to another night.

Airport / station transfer · Northern Lights tour in the evening · Overnight in Rovaniemi

DAY 2 · ROVANIEMI

Reindeer safari to Santa Claus Village

After a hearty breakfast, meet the reindeer and set off on a reindeer-driven sleigh along forest trails to Santa Claus Village. Explore the handicraft shops, send mail from Santa's Main Post Office, watch the elves at work and meet Santa himself. You are awarded a Reindeer Driving License and a Certificate of Crossing the Arctic Circle before returning to your hotel. The evening is yours: the hotel bar or sauna.

Breakfast · Reindeer safari · Overnight in Rovaniemi

DAY 3 · ROVANIEMI

Husky safari & optional Arctic activities

A short drive from town brings you to the husky ranch and an enthusiastic barking welcome from dozens of beautiful dogs. Your guide explains how to control the sled – ridden in pairs – and then you are off, drawn by a husky team through the snowy landscape. Back at the ranch, warm up with hot berry juice while the head musher talks about the huskies' working life. The afternoon is free, or add an optional activity from our outdoor collection.
